

Outdoor light

L 585 S

EAN 4007841005917

Functional description

It's already dark when you get home. The light at the front door switches on automatically, illuminates your way and you immediately find your key. The technology has become intelligent. All made possible by the new sensor technology in this advanced light that only switches on when light is actually needed. The built-in sensor can tell whether anyone is present in the detection zone and switches the light on automatically. The attractive, lowered lampholder now also lets you use modern lamps. Reliably and stylishly illuminating the outside of your property with even, energy-saving light. Night after night.
