

Photoelectric lighting controller

NightMatic 5000-3

EAN 4007841011680

Functional description

Lighting generates emotions! Dramatic shop windows staged with lighting accents, hoardings or building facades attract the attention of the observer and project the image of the owner. All automatically. Whenever the day goes to sleep, NightMatic 5000-3 wakes up and controls the finest lighting effects. Exactly when it really makes sense to and is desired, thanks to the numerous setting options. On the technical side, the NightMatic 5000-3 comes with innovative, diffuse light measurement. This detects the level of light in its entire surrounding, taking better measurements than conventional light sensors. A must for budget-conscious management accountants and electricians.
